MESSAGE FROM THE PRESIDENT

The time is flying by and it won't be long before the 32nd Ann Boyd Wade Fine Art and Photography Show is upon us. This show has seen tremendous success throughout the years, and we all want to make this particular show one of the best to date. I ask that all of us do our part to make this event a great success. Please get your sponsorships in as soon as possible, and if you can do others let me know and I will get you a list. Also, there are

many individuals in our community that would be very glad to donate \$25 toward a sponsorship. Check with family, friends and acquaintances. And please be willing to take on more than one job during the show. With more people working together throughout, there is less burnout for just a few. I am excited-I think this show is going to be outstanding!
