*Message from the President*

Hi,

Happy New Year to all of you!

It's going to be an exciting year starting off with the miniature and small works art show coming up at the end of this month. Hope to see our artists submitting something!

I'm hoping this year we can work together and get more people to volunteer to work our shows. Over the past few years it has been on the shoulders of the same few members and there is a lot to do and keep track of. I would like to thank those members for that - without them there would be no shows. So please step up and make this a New Year's resolution. We really need you and maybe you will have some good ideas to share also.

Hope to see at the next meeting.

Thanks,

**WAL President - Yolanda van der Lelij**
