PRESIDENT'S MESSAGE

We all are working hard to expand our membership and build on the success that the Art League has enjoyed for so many years. We will be trying some new things every so often to make this happen, and if anyone has some ideas, please pass them along.

****The first new thing we are trying is the time and day for our meetings. OUR NEXT MEETING DATE WILL BE SATURDAY, MARCH 14 at 1:00 P.M. at the Brass Rail. Anyone may also have lunch, if they wish. Because this is a change from our normal meeting date, we all need to voice our yea or nay vote for this change. If you are fine with this change you do not have to do anything but show up. If you ARE NOT in favor of this change, please respond to Peggy Ottens as soon as possible and let her know. We are trying to keep this process according to our By-Laws. We will have a full meeting, but also a very interesting presentation by Karen Husted, who is a coordinator for an art program in schools in Cochise and Graham counties called the Arts for Border Children. I look forward to seeing each and every one of you on Saturday, March 14 at 1:00 at the Brass Rail.**

March Birthdays

Dottie Rogers – March 18

Patricia Cole – March 23

At our meeting on Saturday, March 14, 1:00 p.m., Saturday Karen Husted, current Director of Arts for Border Children, will be speaking about that program. Arts for Border Children delivers an innovative academic program through art education in under-funded school districts, particularly those in rural areas and on reservations as well as urban schools. Arts for Border Children's emphasis is to encourage students to become creative and critical thinkers who can solve problems in many disciplines.

Hanging your work on the Art League racks at the Chamber of Commerce is a great opportunity to show and sell your artwork as thousands of people visit each year. Keeping your work small will entice people to impulse buy as it won't take up much room in a packed car. Consider using local themes that are unique to this area.

DON'T FORGET- both the newly revamped Webpage: <http://willcoxartleague.com/> and Facebook page: [Willcox Art League](#). The member pages on the Website are *for your benefit*. Currently only three artists are utilizing them. They are a way to put your artwork before the public. Post your pictures with a link to your own website (if you have one).
