***President's Message:***

The big news this month is the Willcox Western Christmas Festival, being held December 6<sup>th</sup> and 7<sup>th</sup> at the Willcox Community Center. As usual, there will be an Art Show in conjunction with the festival, and complete details are elsewhere in this newsletter. This year there will be an Artist's Reception at 6pm on Friday, December 6<sup>th</sup>. I hope you will all enter your art, photography, or 3D art, and I hope to see you at the reception. Wayne Crane is chairing the show again this year, and we appreciate his efforts. He is one of the good guys. I look forward to seeing all of you at the meeting on November 13 at the Brass Rail, and again at the Festival.

***Bill***

***The Artist of the Month is Patricia Cole***

Patricia Cole has come full circle in her quest to produce fine art. In her 20's, Patricia took painting lessons in California but then became too busily involved with her work in the finance industry and later as a sought-after Beverly Hills wedding photographer. When she finally retired and moved to Willcox seven and a half years ago, she finally found the freedom to renew her desire to paint. She began lessons upon her arrival and has continued ever since, currently as a student in Benson with Ron Fritts and as a student in Polly Fabrizio's water-color class this past summer.

As a professional photographer, Patricia limited herself to weddings but as an aficionado of the art of photography she took pictures constantly on her travels in Mexico, China, Israel, Egypt and other places.

Because she does not paint at home, Patricia produces only a small number of works each year. Patricia's artwork will be shown at The Mother Lode Espresso House on Railroad Ave. A reception will be held at there on Wednesday, Nov. 13 after the Art League meeting. Any persons interested in art are welcome to attend the meeting and the reception.
