## GREETINGS WILLCOX ART LEAGUE MEMBERS!

We hope everyone has enjoyed their summer and are looking forward to some exciting upcoming events involving the Willcox Art League! For starters, we have a show happening very soon during Labor Day Weekend. This first time show at the El Dorado Community Center located near the Chiricahua National Monument, is an exciting opportunity for our Art League members as well as interested artists & photographers in our area to show and sell their works! Labor Day weekend can bring a lot of traffic to the Chiricahua Monument, which is the reason for choosing this date and location for the show. This is not a judged show and is for the purpose of exposure and sales for our artists & photographers. The fee is \$5 per entry (limit 4) and The Willcox Art League will take 20% commission for those works sold during the show. Please join us by entering your work, volunteering your help, or just stop by and see the show! Print out the flyer attached to this email and spread the word if you can. We look forward to seeing you there! For more information on entering or directions please contact:
